ABOUT ME

I am a purpose-driven designer focused on creating meaningful, sustainable solutions through a human-centered approach. I thrive in collaborative environments, guided by curiosity and a commitment to continuous learning, with a strong foundation in Design Thinking and strategy. I am constantly eager to expand my knowledge, skills, and perspectives, and welcome opportunities to learn and grow every day.

EDUCATION

Master's Degree Equipment Design Faculty of Fine Arts University of Lisbon, Portugal	2022 - 2024
Bachelor's Degree Design University of Aveiro, Portugal	2019 - 2022

EXPERIENCE

Industrial Designer - Part-Time INNGAGE _ Conducted in-depth benchmark research into biomaterials and outdoor furniture. _ Designed a line of outdoor furniture consisting of 3 seats and 1 coffee table. _ Was responsible for market research, sketches, 3d models and renders. _ Organized presentations for the client.	Jun - Oct 2024
Industrial Designer - Freelance Fresh Design _ Renders and 3D Models for Actimel, Danone YoPRO and Tonosol. _ Renders were created for website use and consisted of packaging images. _ Worked on 3 projects at the same time while working part-time at a different studio, time management was key.	Jun - Aug 2024
